Dear Madam,

Applicants thank the Examiner for noting that the correct numbers of claims drawn to DNA encoding SEQ ID No: 6 are 3, 13, 14, 17, 18-24, 27 and 28. In response to the Office Action, mailed June 30, 2003, in the above-identified application, Applicants submit the following amendment and remarks. Further, Applicants have submitted concurrently herewith a copy of the corrected sequence listing and 111 (c) statement that have been filed with the USPTO. The deadline for filing this response has been extended by the accompanying petition for a one-month extension of time and associated fee.

Applicants respectfully request entry of the following claim and specification amendments.
